

No. ISR/Scientist-B-C-D/2022

Date: 20-04-2022

NOTICE

Subject: Representations and its compliances against recruitment of Scientist-B, C, D vide ISR Advt. no. ISR/Core Group/2022/01

ISR has published the screening results on the ISR website based on the screening criteria. Nine candidates (Scientist-B: 7; Scientist-C: 2) submitted the representations for consideration of their applications for the interview of Scientist-B and C. The gist of representations and remarks of screening committee for each representation is listed in Annexure-1. It is hereby informed that no further representations will be entertained.

It is also mentioned that interviews for the position of Scientist-D are cancelled due to insufficient number of candidates.

Administrative Officer, ISR

Annexure-1

20-04-2022

List of representations and its compliances against Advt. no. ISR/Core Group/2022/01

Scientist-B

1.	2715	Nallunru Narasimha	Essential qualification not fulfilled	He represented that M.Sc (Marine Geophysics) is part of Geophysics comes under Earth Sciences and the degree is awarded by Geophysics Department of Andhra University.	As per the Advt, the essential qualification is Post Graduate in Geophysics/ Geology/ Physics/ Computational Seismology/ Earth Science/ Geotechnical Engineering. Any deviation is not acceptable as per the recruitment rules of ISR. Hence, the earlier status is retained.
2.	2841	Patruni Sivasankar	Essential qualification not fulfilled	He represented that M.Sc (Marine Geophysics) is part of Geophysics comes under Earth Sciences and the degree is awarded by Geophysics Department of Andhra University.	As per the Advt, the essential qualification is Post Graduate in Geophysics/ Geology/ Physics/ Computational Seismology/ Earth Science/ Geotechnical Engineering. Any deviation is not acceptable as per the recruitment rules of ISR. Hence, the earlier status is retained.
3.	2880	Vadakani Prashnath	Overage	He represented that he belongs to ST category and requested for 5 years	ISR is governed by the rules of Government of Gujarat. The ST post is

				relaxation on age limit.	reserved for candidates of Gujarat origin and the candidates belong to Gujarat state are only eligible for the relaxation. In view of this, the application is considered for General category. Hence, the earlier status is retained.
4.	2686	Abul Aas	Experience not relevant	He represented that he has relevant research experience.	As per the screening criteria, one SCI publication is required which is not fulfilled. Hence, the earlier status is retained.
5.	2524	Hasmukhbhai Karsanbhai Ahir	No relevant experience, certificates not attested	He represented that he has experience in remote sensing, GIS, satellite data and meteorological parameters.	His experience is not related to seismological research and the certificates are not attested. As per general condition no. 15 of the Advt., the applications not accompanied by relevant attested copies of certificates will be summarily rejected. Hence, the earlier status is retained.
6.	2710	Sapna Ghavri	Overage	She represented that she belongs to Women category and requested for 5 years relaxation on age limit.	The women are entitled for 5 year relaxation if they apply under Women category. Since present advertisement has no post reserved exclusively for women, the 5 year relaxation is not valid and the application is considered for General category. Hence, the earlier status is retained.
7.		Ishwar Chandra Rahi	Late application	He requested to accept the late application which was received after due date (18-02-2022).	As per general condition no. 22 of the Advt., the applications received after the closing date will not be considered. Hence, the earlier status is retained.

Scientist-C

Sr.No	Inward No	Name	Remarks of Screening committee (before representation)	Gist of representation	Remarks of Screening committee (after representation)
1.	2788	Amrita Yadav	Overage	She represented that she belongs to Women category and requested for 5 years relaxation on age limit.	The women are entitled for 5-year relaxation if they apply under Women category. Since present advertisement has no post reserved exclusively for women, the 5-year relaxation is not valid and the application is considered for General category. Hence, the earlier status is retained.
2.	2714	Kandregula Raj Sunil	Only 1 SCI paper as first author	He represented that he has 2 SCI papers as first author.	After careful look at the publications, the screening committee found that he has 2 SCI papers as first author. Hence, he is screened in for the interviews for post of Scientist-C.
