Recruitment for the post of Scientist-B

Date of Interview: Nov 27/28, 2017

Reporting Time: 09:30 hrs

Place: Institute of Seismological Research, Knowledge Corridor, Raisan,

Gandhinagar, Gujarat, 382 009

Screening Criteria for limiting number of candidates for interview

(i) Essential qualification as prescribed in the advertisement.

- (ii) One year experience in seismological research.
- (iii) Since ISR is a state level autonomous institute, reservation is applicable to persons of Gujarat origin only. In view of this, reserved candidates from other states are considered as general candidates.
- (iv) For general category, candidates who have passed all examinations in first division (greater than or equal to 60% in matric, intermediate, graduation and post-graduation) are screened-in.
- (v) For reserved category (SC/ST/SEBC of Gujarat origin), candidates who have passed qualifying examination in second division (greater than or equal to 50% in post-graduation) are screened-in.
